

BOYS & GIRLS CLUBS
OF BORDER TOWNS

This message is to inform you that this year's Boys & Girls Clubs of Border Towns Gala has been canceled due to the unforeseen impacts of COVID-19 pandemic. In these uncharted times of recovering our local businesses and services are finding trying times. COVID concerns have prohibited many of the necessary services needed to provide a successful event. We sincerely apologize for any inconvenience this may cause and look forward to planning our 2022 Gala.

We are issuing full refunds for ticket sales and you'll receive an email within the next 1-2 days to confirm your refund has been issued. For questions, please contact me: Frjones@bgcbordertowns.org
