

## **Parent Agreement Policy**

Boys & Girls Clubs of Border Towns (BGC-BT) has implemented a membership agreement policy. This agreement is contained in each of our Unit's Parent/Member handbook, which contains important information related to the rules, code of conduct, logistics, and policies of BGC-BT and is given to every parent upon review upon submission of member application. Two forms are required to be signed by every parent: Parental Agreement, Membership Application.

It is the responsibility of the parent to keep their information current and updated, especially contact information, emergency contacts, medications, and approved persons for member pick up.

Parents must agree and sign the parental agreement, membership application and meet with parents for a parent/member orientation prior to members being allowed to attend club activities.

Current membership applications are available on our website.
